Atma Deepo Bhava

Cambridge Campus World School aims to provide a comprehensive, skill-based education to girls and boys at the pre-primary, primary, secondary and senior secondary levels. The School follows a comprehensive co-educational programme which covers academics, co-curricular activities and games & sports. Transportation is provided by the School. The guiding light of The School is its motto “**Atma Deepo Bhava**” or “**Be Your Own Light**”. The students at **Cambridge Campus World School** are encouraged to explore, reach out, and seek answers for themselves. The teachers are encouraged to innovate, guide and, most importantly, become “learners first”. The school aims at a unique balance between the richness of Indian tradition and culture and the challenges posed by the new technology-driven environment.

◦ Vision

To prepare dynamic and caring citizens of tomorrow to meet the challenges of a global society while retaining their traditional values.

◦ Mission

To be a centre of excellence in education, which in keeping with the rich heritage of India, will stress the simultaneous development of body, mind and spirit, and endeavour to create compassionate, responsible and innovative global citizens who are committed to the development of India.

◦ Aim

To provide a dynamic and broad spectrum learning environment that will foster critical thinking skills in students and help them become life-long learners.

● New Pedagogy and Curriculum ●

★ Foundational Stage (Pre-Nursery, Nursery, KG and Prep)

- Our philosophy is “we play as we learn and we learn as we play”. • Teaching is activity-based and thematic.
- The programme imparts linguistic, creative, numerical, social / interpersonal, motor and kinesthetic skills leading to the development of intellectual, physical, cultural, artistic and communication skills in a free and stimulating environment.

★ Preparatory Stage :- For classes 3 through 5

- The environment is communicative and children are motivated to express themselves.
- Activity-based and Interactive teaching methods are used and children are encouraged to ask questions.

★ Middle Stage:- For classes 6 through 8

- Experiential learning in science, mathematics, social sciences, arts, and humanities.

★ Secondary Stage:- For classes 9 through 12

- Multidisciplinary study, student's choice of subjects, critical thinking

A young girl with dark hair, wearing a yellow shirt, is shown in profile, blowing bubbles. Her hair is adorned with several colorful hair clips: a pink one, a blue star-shaped one, a white one, and a gold one. The background is a soft, out-of-focus green with many bubbles floating in the air. On the left side of the image, there is a list of values starting with the letter 'A', each preceded by a large letter that matches the first letter of the value.

★ A team of Dedicated Educators

Highly qualified and experienced teachers at The School have the ability to create a motivating environment. Our teachers at school:

- Support pupil's learning
- Meaningfully engage students in stimulating activities
- Provide personal and pastoral care
- Support special educational needs
- Correct unacceptable behaviour

★ The Parent Community

Parents play the most important role in bringing up children. The School and Parents at The CCWS join hands to create a purposeful atmosphere that promotes good learning to bring out the best in our children. Together we teach them to accept differences and help them to develop values that are respected and admired by all cultures around the world. We expect parents to use the following strong bridges for communication between home and school.

- 1) Students' diary.
- 2) Individual Parent-Educator/ Parent-Principal meeting to discuss concerns about their child's progress.
- 3) Regular circulars / newsletters.

★ Admission Procedure

The admission process is designed to enroll students demonstrating promise. A Registration Form is included with the prospectus. Registration does not imply admission, but is subject to the availability of seats and fulfilling of admission criteria. The Registration Fee is non-refundable.

★ Fees

The fee structure of The School is directly proportionate to the facilities provided by the institution and is subject to review at the beginning of every academic session. The admission fee is non-refundable. The security deposit is refundable after making necessary adjustments as applicable. The fees are charged on a quarterly basis.

★ Grooming Skills for Life Communication Skills

Principal's Message

Cambridge Campus World School aspires all students to succeed in their world. It offers a wide variety of challenging, enjoyable and successful curricular opportunities, athletic programmes, performing arts and musical programmes with various activities.

We believe that it is important for our children to learn to think for themselves. As such, they are encouraged to ask questions in class and not be passive recipients of information. They are also put in situations where they have to use their innovative, imaginative and organizational skills. A structured programme aimed at the development of problem solving and thinking skills is followed.

The ability to communicate correctly, clearly and positively is the key to achievement and success. Accordingly, the school has evolved a learning environment where children get ample opportunity, formal and informal, to hone their communication skills. Classroom techniques like pair and group work, role play, and personality development activities like elocution and debating aim at the inculcation of effective communication skills.

STEAM EDUCATION

- Contributes to the mastery of fine motor skills
- Encourages innovation and critical thinking
- Facilitates math learning and problem solving
- Teaches teamwork and promotes socialization
- Restoring creativity through design and problem solving
- Evolves logical thinking capabilities through programming structures
- Improves memory, concentration and stimulates curiosity to discover how things work
